**Applications must be postmarked by April 24<sup>th</sup>, 2026.** The enclosed packet includes the application, guidelines, and policies. For questions, contact Andre Cowan at the Office of Cultural Affairs at 518-434-5416 or [vendors@albanyny.gov](mailto:vendors@albanyny.gov).

### Application Guidelines

- Rain or Shine Policy:** Alive at Five will be held rain or shine, with no refunds will be issued due to inclement weather except in cases of force majeure. In case of rain, the event will move to the Corning Preserve Boat Launch. Vendors will be notified of changes 24 hours in advance.
- Prohibited Items and Vendors:** Glass bottles, Styrofoam containers, as well as the sale, sampling, distribution, and promotion of products or materials related to political campaigns, alcohol products (with the exception of confections containing an alcohol content of no more than five percent (5%), per volume) and all CBD/THC products are strictly prohibited. See pages 5 & 6 for more information.
- Selection Process:** An independent jury appointed by the City of Albany will oversee the selection process. All decisions by the jury are final. The City of Albany does not hold the Grandfather-in clause to any vendor.
- Evaluation Criteria:** Applications will be reviewed based on specific jury criteria and the overall quality and integrity of the event.
- Booth Specifications:** Please provide details such as booth length, width, and category of retail items to ensure appropriate space allocation (15'L x 10'W). Due to limited space, any application over 15'L x 10'W is subject to rejection.
- Photo Submission:** Submit high-quality photos of your booth setup along with complete pricing. These images are crucial for the jury evaluation. Vendors who deviate from their submitted materials during the event will not be allowed to participate in future events.
- Insurance Requirement:** Vendors selling packaged food or body care items must provide proof of commercial general liability insurance.
- Incomplete Applications:** Failure to submit all required information will result in the application being deemed incomplete and subject to rejection.
